Re: Child Resistant Closure

To Whom It May Concern:

This letter is regards to the following Mold-Rite Plastics, Inc. child resistant closures;

CRC-24mm/400	PDT-24mm/400
CRC-28mm/400	PDT-28mm/400
CRC-33mm/400	PDT-33mm/400
CRC-3 8mm/400	PDT-3 8mm/400
CRC-45mm/400	PDT-45mm/400
CRC-53mm/400	PDT-53mm/400

Mold-Rite Plastics, Inc. nomenclature for the child resistant closure is as follows:

- “CRC” – This is a two piece child resistant closure embossed with the “Pictorial” design.
- “PDT” – This is a two piece child resistant closure embossed with the words “Push Down & Turn”.

All the above listed closures were tested by an outside independent agency, Perritt Laboratories. The test unit was evaluated by using the Consumer Product Safety Commission Protocol and Standards. In this study the test unit fulfill the requirements for senior-resecuring effectiveness as per the code of Federal Regulations (C.F.R) Title 16, Part 1700, with final rule changes cited in the Federal Register, Vol. 60, No. 140, Friday, July 21, 1995, pp. 37710 to 37744.

If you have any further questions or concerns pertaining to this matter, please feel free to contact our Quality Assurance Department at 518-561-1812.

Sincerely,

Matthew P. Desch
Regulatory Affairs Manager
Mold-Rite Plastics, Inc.
